XX. Read letter No 69-70, dated 6th September 1911, from the Secretary, Agricultural Committee of the Mysore Economic Conference, requesting to be favoured with the opinions of the District Board in the matter of extirpation of jola grasshopper.

Resolution.—That the suggestions proposed by Doctor Chambers, are too sufficient and that bagging experiments carried on by Doctor Coleman are being investigated by raiyats; so the bagging system should be explained in all villages where there is the pest. There is the noteworthy fact that in certain areas like Harihar, tne pest appears to have completely disappeared on account of climatic conditions.

XXI. Proposal from Mr. Srinivasa Rao that necessary arrangements may kindly be made for holding a cattle show at Harihar on the occasion of Sangameswara jatra and funds be sanctioned from District Funds.

Resolved that a cattle show be held on the 10th March 1912 and following days and that a pony show be also held along with it and that a sum of Rs. 150 be set apart for it.

XXII. Proposed by Pandrahalli Sowcar and approved of, that a Native Vaidyasala be established at Hireguntanur.

Resolved that the next meeting of the Board be held on 7th February 1912.
